MEMORANDUM FOR: Colonel James H. Macia, Jr., AFOIN

SUBJECT: Twenty-seven [REDACTED] Reports

1. In pursuance of our telephonic discussion yesterday on the above subject, I have informed our people in [REDACTED] that they should proceed to transmit the twenty-seven [REDACTED] Reports via [REDACTED] through SSO channels, that duplication for all parties concerned here will be made in Washington and that, accordingly, we see no need at the moment for these twenty-seven reports to be transmitted to CIA later.

2. You will recall in our conversation we took note of the fact that until the [REDACTED] Reports were seen we could not determine what security classification they would require for dissemination among our agencies.

3. Upon receipt of these documents by the Air Force, I suggest they be transmitted to the Secretary of the Utilization Advisory Board and that the consideration of whether they should be removed from the TALENT system be placed on the agenda of the Utilization Advisory Board. After such determination, CIA will make such copies as are necessary to meet the needs of the participating agencies.
